Tennis anyone? Just when you thought the Vivanti bracelet was your favorite all-time piece, usher in the necklace counterpart and WOWzers, you've got a tough choice! Trending in the market as the "it" necklace amongst celebrities and influencers alike, this style statement piece is making waves not only for its blinged out appeal but for its style saviness when paired with your regular jeans & tee.

And this trend is popular not only with the ladies, but with the guys too!

Features 4 mm stones and a 3" extender allowing for adjusting lengths from choker to multi-layering.

The Vivanti Necklace is available with Blue Spinel or White DiAmi.

STYLE SIGHTINGS!

Check out your fave celebs wearing this popular trend!

DID YOU KNOW? The tennis style became associated with tennis after the 1987 U.S. Open when Chris Evert's diamond bracelet broke and she demanded the match be paused so she can find her lucky bracelet!
